Declaration

I/We certify that all information furnished above is/are true to the best of my/our knowledge and belief. I/We shall abide by such terms and conditions that the Central Electricity Regulatory Commission or _____ (name of the State) Electricity Regulatory Commission may impose to participate in the Renewable Energy Certificate Mechanism from time to time.

I/We hereby also confirm that 'no' Power Purchase Agreement has been or shall be signed to sell electricity generated from the proposed renewable energy generating station at preferential tariff determined by the Appropriate Commission.

I/We hereby also confirm that the electricity generated from the proposed renewable energy generating station shall be sold either to the distribution licensee of the area in which the generating station is located at a price not exceeding the pooled cost of power purchase of such distribution licensee or to any other licensee or to an open access consumer at a mutually agreed price, or through power exchange.

Signature of the applicant
(Seal of the Company)
