

Power Exchange of India Limited

Circular No.: PXI/Market Operations/2011/35

Date of Issue : 31/01/2011

Subject: Revision of Minimum Bid Volume for participation on Day Ahead Market

Dear Members,

In pursuance of Rules, Bye-Laws and Business Rules of Power Exchange India Limited (PXIL), the Members of the Exchange are notified as under:

1. Presently, in Day Ahead Market (Day Ahead Spot & Day Ahead Contingency) minimum 1 MW of Concurrence/No-Objection/Prior Standing Clearance is required from State Load Despatch Centre (SLDC) to transact on PXIL.
2. Uttarakhand Electricity Regulatory Commission (UERC) issued the UERC (Terms and Conditions of Intra-State Open Access) Regulations, 2010, which became effective from November 13, 2010, allowed the open access to consumers with contracted load of 100 kVA and above. The relevant Regulation is extracted here-in-below for ease of reference:

Regulation 10 (3) - *“Subject to the provisions of these regulations, open access shall be permissible to the consumers, located within the area of the distribution licensee of the State, having a **contracted load of 100 kVA and above** and connected to the distribution system of licensee at 11 kV or above, seeking open access capacity...”*

3. In view of the aforesaid regulation, grid connected entity having contracted load of less than 1 MW with Concurrence/No-Objection/Prior Standing Clearance from SLDC for participation on Power Exchange is henceforth allowed to bid on PXIL's Day Ahead Market platform.
4. The compliance of conditions of State Regulations shall be responsibility of respective grid connected entities.
5. This circular shall also be applicable to all grid connected entities across India who is allowed open access having contracted load of less than 1 MW under the respective State Regulations.

In case of any clarification, Members are requested to contact the undersigned at 022-26530504 or 9819996449.

For and on behalf of

Power Exchange India Limited
