Note:

* For Sl. No. 8 to 16 above, PXIL will make efforts to put the application on behalf of either the Buyer or Seller, whoever has lower transmission charges as compared to the other party so that the overall incidence of transmission charges on the transaction is lower. In all cases, the applicable ISTS charges on the transaction, if any, shall be borne by the Buyer.

“Designated ISTS Customer’ or ‘DIC’ means the user of any transmission element(s) of the Inter-State Transmission System (ISTS) and shall include generating station, State Transmission Utility (STU), distribution licensee including State Electricity Board or its successor company, Electricity Department of State and any other entity directly connected to the ISTS and shall include an intra-State entity or a trading licensee that has obtained Medium Term Open Access or Long Term Access to ISTS”
