Mumbai, July 27, 2023: PXIL successfully conducted REC trading for the month of July 2023, which was the Fourth session of FY 23-24 and Eighth auction session under Central Electricity Regulatory Commission (Terms and Conditions for Renewable Energy Certificates for Renewable Energy Generation) Regulations, 2022 that came into effect from 5th December 2022.

A total of 1.06 lac RECs were successfully transacted in this session, prior to today's auction more than 171.2 lacs RECs were available in the market for trade. The trading happened under the directions provided by Hon'ble Delhi High Court in their Daily Order dated 11.05.2023 withdrawing earlier restriction regarding sale of RECs issued prior to 31.10.2022, thus, all RECs available with selling entities were eligible to transaction in today's REC session. The sessions were conducted as:

- Transaction in non-Solar RECs issued prior to 01.04.2017 with floor price of Rs. 1,500/MWh as directed by CERC vide its Order in Petition no 2/SM/2017 dated 30.03.2017
- Transactions in RECs of different technologies, e.g., Solar, Wind, Hydro, Small Hydro, Biomass and other types of Renewable sources.

Directive (a) was covered under Session ID REC2607202301, and directive (b) was covered under Session ID REC2607202302.

PXIL is thankful to all the participants for supporting the exchange platform in this segment during the year and looks forward to continuing serving all market participants in this and other segments as well.
