**Mumbai, August 29, 2024:** PXIL successfully conducted 2<sup>nd</sup> REC trading session for the month of Aug 2024, as per CERC direction in Order of Petition 379-MP-2024. This was the 10<sup>th</sup> session of FY24-25 and 31<sup>st</sup> auction session under Central Electricity Regulatory Commission (Terms and Conditions for Renewable Energy Certificates for Renewable Energy Generation) Regulations, 2022 that came into effect from 5<sup>th</sup> December 2022.

A total of 12.78 lacs RECs were successfully transacted in this session, prior to today's auction morethan 480.16 lacs RECs were available in the market for trade. The trading happened under the directions provided by Hon'ble Delhi High Court in their Daily Order dated 11.05.2023 withdrawing earlier restriction regarding sale of RECs issued prior to 31.10.2022, thus, all RECs available with selling entities were eligible to transaction in today's REC session. The sessions were conducted as:

- Transactions in non-Solar RECs issued prior to 01.04.2017 with floor price of Rs. 1,500/MWh as directed by CERC vide its Order in Petition no 2/SM/2017 dated 30.03.2017
- Transactions in RECs of different technologies, e.g., Solar, Wind, Hydro, Small Hydro, Biomass, and other types of Renewable sources.

Directive (a) was covered under Session ID REC2808202401, and directive (b) was covered under Session ID REC2808202402.

PXIL is thankful to all the participants for supporting the exchange platform in this segment during the year and looks forward to continuing serving all market participants in this and other segments as well.
