

PRESS RELEASE

PXIL's Workshop Explores Power Exchange Dynamics and Market Coupling

23rd February 2024

Kolkata:

Power Exchange India Limited (PXIL) hosted a successful One Day Training Workshop on 'Products on Power Exchanges and Market Coupling' at Taj Vivanta, Kolkata on 23rd February 2024. This workshop attracted diverse audiences of power industry and professionals from DVC, WBSECL, ERLDC, CESC, SAIL & HINDALCO. This workshop aimed to provide a comprehensive understanding of various products offered on power exchanges and the concept of market coupling.

The workshop was initiated with the opening remark of Shri Satyajit Ganguly, MD & CEO PXIL. Shri Ganguly welcomed all the participants to join this brainstorming session. The first session of the workshop was focussed on Products of Power

Exchanges. Mr. Amrish Kumar Khare, VP and BD (Head) PXIL delivered presentation on the same theme. The sessions featured the list of various products offered by PXIL and overview of power market was given.

In this continuation, the MD & CEO PXIL, Shri Satyajit Ganguly, presented an overview on the concept of Market Coupling and its benefits in the power sector. Shri Ganguly strongly pleaded the benefits of Market Coupling in current scenario. In his speech Shri Ganguly covered topics such as emerging trends in power trading, market coupling mechanisms, and the role of PXIL in driving efficiency and transparency as recently advised by Central Electricity Regulatory Commission.

In the post lunch session Shri Manas Das, DGM, ERLDC made a presentation on GNA/TGNA. All these sessions attracted very active participation from the delegates and were well appreciated. During the discussion participants also raised various real time issues which were clarified by PXIL team to the satisfaction of the participants.

The last session of the workshop was question and answer session, which provided a platform to industry experts and encouraging participants to engage in insightful discussions and share their practical experiences.

The Chief Operating Officer (COO) PXIL, Shri Ajit Bishoi expressed gratitude to the attendees for their active participation and emphasizing the importance of staying informed in the rapidly transforming energy sector.

Power Exchange India Limited (PXIL) has consistently been a pioneer in fostering transparent and efficient power trading in the country. This workshop reaffirmed PXIL's commitment to empowering stakeholders with up-to-date knowledge essential for navigating the new innovations and approaches in the power sector.

The success of the One Day Training Workshop underscores PXIL's dedication to advancing the industry's collective understanding and contributing to the growth and sustainability of the energy sector. The positive feedback received from participants highlights the workshop's value in enhancing professional expertise and fostering a collaborative environment.
